"Things worked out very well. The boat was a great addition."

Hyannis Yacht Club

"The RIBCRAFT 4.8's are easy on our fleet of Optis, driving down maintenance costs. Flexibility is key and they're ready for any situation we might put them in. Throw an Opti in the back with a couple passengers and you have room to spare. All this in a RIB that's easy to take care of."

Pleon Yacht Club

"The whole RIBCRAFT staff was a pleasure to deal with. Hope we can have some more dealings down the road."

Shrewsbury Sailing & Yacht Club, New Jersey
