

4.8

AGILE PERFORMER. DEPLOYABLE. STABLE.

At just under 16', the RIBCRAFT 4.8 employs the RIBCRAFT signature deep V hull to offer superior handling and performance for a boat of this size.

Used by government agencies and private industry, the 4.8 incorporates the qualities of exceptional safety, design and reliability. This versatile model is also a favorite among yacht clubs and junior sailing programs for its solid, low maintenance construction and spacious deck. Easily launched by trailer or hoist, the RIBCRAFT 4.8 is an excellent all purpose safety and response craft. The 4.8 features a solid commercial fiberglass hull, a molded non-skid deck, and a heavy duty Hypalon® tube with multiple chambers and pressure relief valves.
