

6.5

FUNCTIONALLY DIVERSE. RUGGED PERFORMANCE.

Designed with law enforcement and rescue professionals in mind, the RIBCRAFT 6.5 provides excellent control and performance in confused and rough seas found along coast lines and high traffic waterways.

The pronounced bow sheer, full length lifting strakes, and RIBCRAFT deep V hull combine for unsurpassed handling. The 6.5's performance characteristics make it ideal for applications requiring speed and maneuverability. From rescue applications to routine patrols, at just over 21', the RIBCRAFT 6.5 offers multiple configurations and options suitable for any task at hand.
