

7.8 Offshore

FAST RESPONSE. ROUGH WEATHER. OFFSHORE RIB.

The 7.8 proves herself time and time again to the most demanding users around the world by providing operator and passengers RIBCRAFT's signature stable, dry ride even in the roughest offshore conditions.

With a long steep sheer towards the bow and an impressive deep V hull, this 25' RIB offers unparalleled safety and unsurpassed performance. A true offshore RIB, the 7.8 meets the requirements of military agencies, safety professionals, commercial applications, and tour companies. Whether the mission calls for an open deck for work space and gear or a partially enclosed cabin for all weather protection, the 7.8 hull is a versatile platform that can be configured to support virtually any mission.
