

9.0 Offshore

UNMATCHED PERFORMANCE. HIGH CAPACITY. POWERFUL.

The workhorse of the RIBCRAFT line, the 9.0 is designed specifically for offshore rough water conditions.

A pronounced deep V hull coupled with full length lifting strakes, the 9.0 is designed specifically for rough water conditions that provides for unparalleled handling characteristics. Used by a variety of professionals from military and law enforcement agencies to tour operators and commercial organizations, the 29' RIBCRAFT 9.0 provides generous deck space for people and equipment. With a variety of deck configurations available ranging from a simple center console to multiple pod seats or a fully enclosed pilot house, the RIBCRAFT 9.0 accommodates most applications.
